

# Become a Friend of the Dormann Library

---

## What is a Friend of the Library?

- Friends of the library promote, encourage, and embrace the work of their local libraries through a myriad of activities, which include fundraising, garnering support for library projects, sponsoring special programs for children and adults, volunteering where needed, and keeping the library in the forefront of their communities.
- Friends are community members who care deeply about their libraries and who unselfishly use their imaginations, energies, and experiences to strengthen and expand library services.

Friends groups are nonprofit organizations which raise a large portion of their funds through book sales, membership campaigns, and special community events.
