Return to the Dormann Library to be officially registered to win grand prizes. We need one form for each participant. Thanks!

Grand Prizes

This year there will be drawings for the grand prizes at our final program (Thursday, August 11 @ 6:30pm at the Bath Fire Hall). **To be eligible to win, each participant must have registered for the Summer Learning Program.** There will be prizes based on earning tickets through participation in program events. **Please note: a youth can only win one prize even if we pull a second ticket with their name on it.** All tickets will be put back into the drawing for the **Grand-Grand Prize: A weekend stay at Hickory Hill Campground for the winner and 5 of their family members/friends.** There will be multiple opportunities to earn tickets to be entered in the Grand Prize Drawings throughout the 6 week program. The winners do not need to be present, but it would be nice if you are!

Weekly Events/Weekly Drawings

Must attend weekly event to win one of the 10 weekly prizes. A youth can only win one weekly prize, even if we pull a second ticket with their number on it. For all ages, one hour of reading will earn you two weekly prize tickets to enter into that week's drawing. Time needs to be turned in on an official form that has been signed by a parent/guardian/caregiver to be eligible to earn tickets.
